

Sonshine Preschool

8180 Telephone Road, Ventura

FALL 2023 REGISTRATION GUIDELINES

From **February 9 through February 17, 2023**, **priority** for fall enrollment will be given to children currently enrolled in our program and their siblings, to children of Orchard Community Church families, and to children of families who have attended Sonshine Preschool in the past.

*Beginning Tuesday morning, February 21, 2023 at 8:00am, registration will open to **all** families and will be accepted on a first come, first served basis. We hope to be able to accommodate your requests for days attending and to confirm your space in the program as you register.*

A **non-refundable** registration fee of \$95 for returning students or \$110 for new students must accompany each enrollment form.

A **tuition deposit** equal to one tuition payment is ***due June 1, 2023***, or at the time of enrollment after that date, to confirm registration and assure your child's space in the program. This tuition deposit will be credited as the *tenth payment for the 2023 - 2024 school year* (or whichever month is the last month the child attends in that school year, if early withdrawal is required). This deposit is fully **refundable until June 30, 2023**, provided that notice is given in writing that your child will not attend in the fall.

A completed **"Physician's Report"**, State form LIC 701, is needed for all new students. It is ***due by June 1, 2023 and must be completed based on a physical performed within a year of our start date (August 24, 2023—talk to us if your student has a summer birthday).*** *Completing and returning the form as soon as possible gives us time to review it and request any needed follow-up.* (This form and others will be provided when you register).

The California Health Department now requires by law that all new students are fully immunized upon entry. See SB277 for more information.

Tuition for the school year is divided into 10 equal payments, regardless of attendance or holidays.
