How can we help your child transition into school: _____

Do you have any concerns about your child's development? _____

What type of services (if any) is your child receiving: _____

Email Address: _____

FIELD TRIP PERMISSION

I give permission for my child to go on field trips with Sunshine Preschool in Ventura or the surrounding area. I understand that advance notice will be given to me concerning the details about where and when we will be traveling to a sight of interest. Field trips are parent driven, busses will not be provided. Notice will probably not be given for occasional walking outings to observe nature on our own church campus.
